No comments.

PUBLIC MEETING

Application No. 532-06 E/S, Land of First School Society of Wethersfield, #290-300 Main Street. Rear and Great Meadow Rd., Parcels 261-005 & 262 -009, Applicant Paul Hallisey Application for alternation and deposition of material within a regulated area. Also seeking Erosion & Sedimentation Certification.

Paul Hallisey of Hallisey, Pearson & Cassidy Engineering of Rocky Hill, CT presented drawings and explained the application. David Kelly, President of the Wethersfield Village Cemetery Association/Vice-President of the First School Society of Wethersfield was also present. A general discussion by the Commissioners and the applicant took place focusing on the two phases of the application, the use of the Town Wetlands Map or the use of a Soil Scientist to determine the Inland Wetlands Limits, and possible requirements of the DEP and ACE. The application was tabled due to lack of quorum.
