

Minutes for meeting November 9, 2009

Motion to approve minutes for September 14, 2009 made by Joe Hickey and seconded by Phil Cashman.

Fred Bushey – Director of Maintenance and Operations for the Board of Education discussed drainage problems at the High school caused by tree roots in the drainage pipes. The commission voted unanimously to remove 1 maple tree and leave the 3 white pines. Motion made by Phil Cashman – seconded by Joe Hickey.

The commission voted unanimously to remove 1 cherry tree in decline at the entrance to Town Hall. Two new trees will be planted in the island created by the new parking lot. It was decided the false cypress tree near the building should be trimmed and not removed. Motion made by Mark Alpert – seconded by Joe Hickey.

The tree warden reported the 1st shipment of trees for the WVIA 375th Tree Program was shipped to the town and delivered to homeowners by the tree department.

Tree locations and budget for the America the Beautiful Grant was discussed.

Public comment – None

Meeting Adjourned – 8:00pm
